EXCITEMENT is mounting in Lyme Regis over the staging of what could be one of the biggest events ever held in the town - Guitars On The Beach.

More than 2,200 guitarists from all over the country, with some coming from overseas, will descend on Lyme on September 7th to form the world's biggest band which will be attempting the record for the most guitarists ever playing the Buddy Holly Hit "Rave On".

The event, being organised by former rock PR Geoff Baker, has caught the imagination of guitarists of all abilities, including Robbie McIntosh, who has played with Beatle Paul McCartney and The Pretenders, and who led a warm up on the beach on Sunday for a promotional video.

JEMMA THOMPSON moved to Bridport aged just a few months old when her grandfather became stand-in vicar for the Powerstock Parish.

Studying art in Liverpool and signwriting in Devon, but always calling Bridport home, Jemma went on to design and paint many of the signs in the town, including shop signs for Lula, Get Stuffed, Bella's Cake Shop, Cornucopia and the Red Brick Cafe sign in the Rope Walks car park, as well as restoring the Coats of Arms in the Town Hall, and gilding the weather vane on its dome.

In 2012 Jemma was attacked by a man wielding a hammer while walking on Langdon Hill, an event she describes as a turning point in her life. She has publicly expressed sympathy for her attacker.

● **WHAT made you take up animal portraits?**

I started taking animal portraits commissions after drawing my first boyfriend's dog in 1992. The picture was a bit of a hit with friends, who then asked me to draw their dogs. It has been that way since then. I have been commissioned to draw sheep, and a chinchilla, as well as horses, cats and dogs. I'd like to have some farm animal commissions, that'd be great.

● **HOW did you get into signwriting?**

I got into traditional signwriting in 1999, having finished my art foundation course in Liverpool and not really knowing where to go next. I came home and saw Colin Grainger up a ladder in South Street painting 12" high letters on a shop fascia. I drew up the courage to ask if I could have a go as it looked beautiful. Colin very kindly allowed me to go up the ladder and fill in some of his outlined letters.

The signwriter's brush has huge long soft sable hairs and was so wonderful to use. I asked him if I could work with him, but he sadly declined as he only had enough work for a one man business.

But he marked out my name on a piece of wood, gave me a brush and some paint and asked me to start with that. I then went to South Devon College to train on the last traditional signwriting course in the UK where I won an award for being the best signwriter in 30 years.

I was super keen and a real perfectionist at the time. Thankfully I am somewhat more relaxed now.

● **WHAT are the signs you most admire?**

Those which speak of an educated human hand and eye. Those that have light brushstrokes, a clear simple well spaced layout, and colours which are easily read and speak to the reader at the necessary different volume.

Strangely enough, they are the ones that look so simple, like nothing has gone into them. But to achieve that has taken years and years of practice and an intuitive understanding of a natural, aesthetic, readable balance, which a computer cannot achieve.

● **IS THERE a type of sign you dislike?**

I'm not too keen on vinyl, plastics and fabricated signs, mainly due to ecological reasons, but also due to the fact they are often produced by computer programs and sometimes people who have had no training. They have bred a huge wave of badly designed impersonal ugly signage across the world.

60 SECOND INTERVIEW

● **HOW has the hammer attack affected you?**

In many ways it has been a great turning point. Having had such a huge head injury like that, I am much more alert and consciously aware now, rather than dreamy eyed reflective art student, irresponsibly daydreaming her life away. I now have a much healthier attitude towards life, knowing that it could disappear or be taken from me at any moment.

● **AND it has affected how you react to paints?**

Yes, I am investigating finding ecological paints to use for my signs, as the good old treacle type stuff I use at the moment is highly toxic for me as well as the planet.

It even states on the tin that it can cause, cancer, birth defects and reproductive issues and attacks your immune system.

A lot of household items have similar warnings but we tend to ignore them. But post attack, my body is much more sensitive to anything 'attacking its system', so a healthier attitude and sense of balance all-round has come from it. Hopefully it is the same for him too but I don't know.

● **IF YOU could write one sign that sums up your view on life, what would it be?**

I think it would read 'Common Sense' on a deep green base, a block round hand letter with a soft yellow face, a gilt reflection on the bottom and a light blue shadow to express a 'middle of the road' type of understanding, and that we are all responsible for where we are at.

● **WHAT objects do you always carry with you?**

Whatever book I am into at the time. More recently I have started carrying a sketch book and pencil with me again.

● **WHAT is your earliest memory?**

Sitting on a potty, in the sun, next to our garden pond in Victoria Grove, transfixed by a ladybird crawling over the back of my hand.

● **WHO has inspired you most in your life?**

Pat Bowcock of Ourganics in Litton Cheney has to be right up there on the wall of super inspiring people. She has given so much to me and to the local community by her ethical, self-sufficient, sustainable philosophy.

Just by the way that she lives on her smallholding, working with the community and her responsible attitude towards life around her in general is hugely inspiring.

My family too of course. They have been an amazing support this past year and we have a much greater sense of togetherness post the attack than I have ever known.

Youngsters to feature in Guitars On The Beach

THE first MTV video for Guitars On The Beach was filmed in Lyme Regis on Sunday when guitar legend Robbie McIntosh led the big event's house band through the record-bid song that will soon seen more than 2,000 guitarists playing it on the sand.

Robbie, the former lead guitarist of Paul McCartney, The Pretenders and John Mayer, led the band through Buddy Holly's "Rave On" as video-makers used the latest gadgetry to film the key players who will front Britain's biggest-ever band when thousands of guitarists gather on Lyme's front beach for the Guinness record attempt on September 7th.

"It was huge fun, Lyme has some very tasty players and you've got a great band here," said Robbie.

The GOTB House Band - featuring Ben Kapur, Andy Cable, David Austin, Bob Brooker, Phil Birkhead, Paul Bester, Simon Emmett and Ollie Dixon - was augmented by children and pensioner players as video director David Walters used a high-tech camera attached to a remote-controlled helicopter to film the performance from all angles.

Mr Walters, the head of Northampton-based No Bounds Films, spent the weekend filming all over Lyme for the video, which will be released in two weeks' time.

"Guitars On The Beach is such a great idea that I thought somebody has to make a video for it," said Mr Walters, "I love the dash and daring of getting more than

2,000 guitarists to play on a beach together, it's such a wild idea and, even better, it's a wild idea that's obviously going to work."

GOTB organiser Geoff Baker has announced that the number of guitarists signed up to come from all over the UK to play in Britain's biggest-ever band has now reached more than 2,200.

"We're way over our original target of 2,000 players, the response from all over the country is utterly fabulous," said Mr Baker, who is still struggling to learn the three chords of the song.

He also announced that GOTB is now to be sponsored by the world's No 1 guitar company - Fender.

"We are knocked out with delight that Fender has become our lead sponsor," he said, "It's a huge compliment to all of the thousands of people involved that the biggest name in music-making is backing us."

Fender joins Sounds Live and Musicians Insurance Services as GOTB's sponsors. Sounds Live is providing massive PA systems for both the beach performances and the two accompanying GOTB concerts at the Marine Theatre - Robbie McIntosh's exclusive show on Friday September 6th and the GOTB After Party on the evening of September 7th. Tickets for both concerts are now sale.

Musicians Insurance Services has given the event a minimum insurance cover of £5,000,000, ensuring that the event is protected for all eventualities.

Mr Baker also announced that a large chunk of the GOTB performance time is now to be given over to the young players of Lyme's BSharp, following an impressive showcase of the teenage musicians in Lyme at the weekend.

He said: "I was so impressed by the kids from BSharp who played at the Big Mix mini-festival on Saturday that we're going to give three hours of the warm-up period to the record attempt to the bands and musicians of BSharp. We're going to build a beach stage for the big day and from noon to 3 pm it's BSharp's to fill as they want. Clearly, BSharp is grooming great musicians and I

believe that this little music school is now the biggest feather in Lyme's cap."

Opportunity will knock too for Lyme Regis six-year-old Darci Street, whom GOTB organisers now want to put on the beach stage immediately before the record attempt, after her show-stopping performance at BSharp's Big Mix at the weekend.

Accompanied by her guitarist father Brian, Darci brought the house down when she sang the Judy Garland classic "Somewhere Over The Rainbow".

Big support for new business group

LOCAL business owners showed their support for the newly formed Lyme Regis Business Group as record numbers turned out to hear Councillor George Symonds and Economic Regeneration Officer for West Dorset Council, Trevor Hedger, explain the potential benefits to the town of forming a properly constituted organisation to promote the economic well being of the town.

A committee was elected to run the group, with members drawn from the town's Hotel and Restaurant Association, Traders Organisations and service community, ensuring that all areas of local business are represented. Tony Colston, a local businessman and restaurant owner, was elected as chairman, owner of Lyme Regis Antiques & Crafts Centre, Colin Willis, became vice-chairman, Steve Lovett, currently chairman of the Hotel and Restaurant Association will be treasurer and Ashleigh McClements, a member of the Cobb Traders Association, will be secretary. A further seven people were elected as committee members with non-voting members elected to represent the group at town and West Dorset council meetings.

Opening the meeting, Councillor Symonds said: "It's very encouraging to see so many people here. We really want the town to understand the importance of the group to everyone who has a business here - not just retailers, restaurant owners and those involved in tourism. The group's aim is to promote the economic well being of the town for everyone - particularly our year-round residents - so it's great to see representatives from the service sector and trades supporting the initiative."

Trevor Hedger agreed and was positive about the potential for the group to secure funding on behalf of the town as it seeks to develop opportunities to enhance the

Lyme's commercial activities.

"West Dorset is always willing to support funding applications from local business groups, provided they can demonstrate that they are being run on a formal and correctly constituted level. This evening's meeting clearly demonstrates that business owners in Lyme Regis are committed to this objective and I look forward to following and supporting their progress."

Opportunities

After the committee was elected, the Mr Colston threw open discussion and encouraged everyone to put forward their ideas for strategic and tactical opportunities to enhance economic activity in the town.

Several key themes emerged, including encouraging more out-of-season visitors, encouraging local residents to increase their support for local businesses, improvements to car parking and traffic flow in the town.

"While none of these ideas are particularly new, the fact that we are now actively working towards a consensus of opinion across all stakeholders in the town is an encouraging step forward," said Mr Colston.

The next meeting of the group will be held at 6 pm on Wednesday, July 31st at Lyme Regis Power Boat Club. All business owners are encouraged to attend and anyone interested in further information should call Tony Colston on 07770 275641 or email lymeregisbg@gmail.com.

Unique showing of silent film tonight at the parish church

MEMORIES of the legendary Lyme Regis wizard of the keyboard will be evoked by a novel presentation by the Parish Church of St Michael The Archangel (*writes Alex Davies*).

The late Nellie Templeman, who died at the age of 98 in 2005, provided piano backing for hundreds of Lyme stage shows. But her main claim to fame was that she was the last surviving accompanist for silent films.

Her tremendous imagination and expertise, and that of other exponents of the exacting art of silent film accompaniment, will be highlighted this evening (Wednesday) from 7-30 pm with a presentation by the internationally acclaimed improviser David Briggs who will interpret Cecil B de Mille's "King of Kings" on the fabulous Skrabl in the parish church.

Silent movies look strange to us now - lit in flashes, acted with stylised movements and expression and totally without sound-track and all in black and white only. Being so old, it isn't easy to get hold of them. Huge numbers have been lost because the celluloid rotted, mislaid or because of the war, and so on.

But some have survived and digitised so that we can experience them for ourselves. The movies might have been silent, but the cinemas where they were shown were full of sound. What developed was a style of improvised accompaniment. Musicians watched the screens and interpreted what they saw with music-making; usually on an upright piano but in lavish picture houses, on an organ.

For a good night out you would want a film made by a director who could make his actors mime the drama with conviction, plus a reliable improviser at the keyboard who could bring the story alive.

Tickets are on sale at the tourist information centre on 01297 442138 or are available on the door. Best seats £15, side/partial view £10, £8 more restricted view. There will be a reception before the performance from 6.15pm with canapés, drinks and a chance to chat with David Briggs Tickets are £20 to include a best seat.

Shire House celebrate 100th birthday

THERE were mounds of cake and bright balloons at Shire House in Lyme Regis when friends and family gathered to celebrate the 100th birthday of Marie Rees.

Complete with a birthday card from the Queen, Marie celebrated the milestone birthday alongside close family and friends, as well as staff from Shire House Residential Home, with champagne and strawberries and a giant 100-shaped cake.

Marie has six grandchildren and two great grandchildren. Her relatives travelled to be with her on the special occasion from Devon, London, Barcelona, Switzerland and Mallorca.

London born Marie moved from Sussex to Lyme Regis in 2008 to be closer to her twin daughters, Penny Copstone and Susie Foster.

She is pictured above with staff at Shire House.

'We want all visitors not just the up-market ones'

TOWN councillors have objected to a suggestion of promoting Lyme Regis specifically to "up-market" visitors.

Members of the town council's Tourism and Economic Development Committee last week discussed the effect of the national rise in "staycationers", meaning people choosing to holiday in the UK rather than abroad and enjoying day-trips rather than long breaks.

A report compiled by committee chairman Jill Newton referred to a discussion on the "Lyme Regis Soapbox" page of social networking site Facebook, which suggested promoting Lyme to "up-market" visitors, as current tourists were found to be "ill-mannered" and not spending very much in the town. However, several councillors strongly objected to this idea.

Councillor Lucy Campbell said: "We want to be very careful we are not cutting people out. I think as a town council we should be making sure all visitors are wel-

come regardless of how poor or how rich they are."

Councillor Chris Clipson added: "At our collective peril would we not want to welcome all visitors."

The Mayor, Councillor Sally Holman, also said she would "hate to see anything which would limit our huge welcome to the family holidays during the main part of the season".

Councillor Rikey Austin said that as well as the national trend in day-trips, she thought less people were not staying for longer holidays as Lyme Regis had lost "82 per cent of visitor beds in 20 years".

She added: "We simply won't get people coming to stay for longer if they have no where to stay."

Checking River Lim for pollution

THE Environment Agency will be checking the River Lim for potential sources of pollution over the next few weeks, with a view to improving water quality at Back Beach in Lyme Regis.

The beach has previously failed to meet water quality standards and town councillors are keen to improve the situation before the European Union introduces more stringent tests in 2015.

The news about the Environment Agency's upcoming checks was an-

nounced at last week's town council meeting by town and district councillor, George Symonds.

The mayor, Councillor Sally Holman, said the town council had been trying to move this forward as part of a working group for over two years, and she was glad that the district council was also "moving forward on their part".

Councillor Chris Clipson expressed concerns that Dorset County Council had recently been unblocking drains at Hatchet -

where the bottom of Avenue Road meets Jericho - with waste being washed into the river.

County councillor Daryl Turner said that the drains naturally ran into the river and it was only because they were being cleared that more had come out quicker than usual.

Councillor Clipson pointed out that if this had happened when the water was being tested it would have caused more problems.

Lyme mourns popular and respected trader

A POPULAR and familiar Lyme Regis resident has died in Southampton at the age of 84 after undergoing a hip replacement operation.

Gerald Eborn (pictured) moved to Lyme Regis in the early 1980s with his Dutch-born wife, Marojilya, after a successful career as a businessman running Regency Manufacturing with offices in London, Manchester and Hong Kong.

The couple lived at 5-6 Monmouth Street where they ran the computer supplies shop Topline.

Mrs Eborn died of cancer for years ago.

Mr Eborn is survived by his four children - Rodney, Deborah, Andrew and Rebecca - and step daughter Emma, who grew up in Lyme Regis where she went to school.

Mr Eborn's funeral will take place at 3.30pm on Thursday, July 11th at Southampton Crematorium in Bassett Green (SO16 3NF) followed by refreshments at the Chilworth Manor Hotel (SO16 7PT).

The family have requested no flowers but donations for the Bethany Chapel in Lyme Regis.

Mr Eborn's son Rodney described his father as a "kind and generous man who loved Lyme Regis and had many friends in the town."

Scorching challenge for Charmouth runners

HUNDREDS of keen runners took on the annual Charmouth Challenge in scorching heat on Saturday.

The eight-mile race, which includes a gruelling climb up Golden Cap, attracted runners from across the country and raised funds for Charmouth Primary School.

Many local youngsters also took part in the shorter 30th anniversary fun run and organisers introduced a new mini challenge this year for those looking for something in between.

Starting this year's challenge were John Broadhurst, former headteacher of Charmouth Primary School who came up with the idea 30 years ago, and Martin Young who organised the first race.

They were accompanied by Lyme Regis town crier Alan Vian who also opened a traditional summer fete in the school grounds.

In the 30 years the event has been running, about £70,000 has been raised for the school.

Hedges are 'hazard for drivers'

By Francesca Evans

A TOWN councillor has complained that overgrown hedges in Cobb Road and other areas of Lyme Regis are posing a hazard for drivers and pedestrians.

Speaking at last week's full council meeting, Councillor Terry O'Grady expressed concerns that the overgrown hedges could cause an accident and asked recently-elected county councillor, Daryl Turner, if he could follow this up.

Councillor Turner said it was the responsibility of the hedge owners to cut them back and Dorset County Council could only encourage them to do so.

When Councillor O'Grady argued this point, Councillor Turner said: "There is not budget for it. We have got to get used to the fact that the council is not going to be doing things like this any more."

Councillor Chris Clispon said the overgrown hedges around Haye Lane, Colway Lane and Roman Road were posing safety issues for children walking to and from the Woodroffe School.

"There's a danger to the children if the county council is not going to do this. I'm not interested in

budget cuts."

Councillor Rikey Austin asked Councillor Turner whether it was reasonable, in situations where chil-

dren were in danger, for the town council to tell the county council they had a certain amount of time to cut the hedges and, if it

was not done, they would do it themselves and send county the bill.

Councillor Turner said he would look into the problem and try to push the county council on it again.

■ **CAMPING WEEKEND:** The 1st Charmouth Scouts Group camped near their headquarters

Scouts search for bats at camp

OVER 20 members of the 1st Charmouth Scout Group enjoyed a very active camp over the last weekend in June that included a plank race, pioneering and a bat hunt.

The group based its activities around its headquarters on the Barr's Lane Recreation Group but camped in a nearby field. The cubs and scouts were put into four equal teams – each named after a different dinosaur, including a scelidosaurus, which is only found in the Charmouth area.

Although there were plenty of activities that involved running around, driving box carts or carrying water, the one that proved most popular was the evening bat hunt. These were found in fields adjoining the River Char using special detectors borrowed by one of

the leaders.

These hand-held devices picked up the ultra-high frequency sound emitted by the bats to echo-locate their insect prey. As each species emits sound at a different pitch, the cubs and scouts were able to detect more than one type of bat.

Other successful activities included building and decorating camp gates, lighting fires without using matches and a traditional camp fire, complete with entertaining sketches.

At the end of the camp, cubs and scouts who were new to camping received their "One Night Away" badge. Others will soon be receiving their Naturalist Badge, as their successful bat hunt ticks off one of the key requirements for this award.

■ **ON Sunday, June 30th** over 30 friends and family of the late Emma McConnell started a five day charity walk from the Cobb at Lyme Regis to Sandbanks ferry, a total walk of close to 90 miles.

Emma, who died a year ago, had always wanted to do the Jurassic Walk, but unfortunately at just 32 years of age was diagnosed with an aggressive type of breast cancer.

The plan is to raise funds for the Weldmar Hospice-care Trust who nursed her during the latter stages of her illness.

The initial target was to raise £1,000 but before the walk had started close to £8,000 had already been donated. Anyone wishing to donate can do so online at www.justgiving.com/jurassicwalk4emma

News in a Nutshell

Local fundraisers for new cancer charity

LYME Regis resident Susan Puddicombe is raising funds for new charity Chordoma UK having being diagnosed with the rare form of cancer.

Chordoma UK was launched in April to fund research and support those with Chordoma, a rare and relentless bone cancer that can affects one in 800,000 people of all ages

The charity's aim is to financially support and ensure the future of high-impact research initiatives being carried out by a team of scientists, led by Professor Adrienne Flanagan, Head of The Research Department of Pathology at the UCL Cancer Institute, part of University College London.

Chordoma UK has been chosen as one of the beneficiaries of the Lyme Regis record-attempt, Guitars on the Beach, which is expected to attract thousands of guitar enthusiasts to the town on September 7th. Susan will be running a fundraising stall on the seafront throughout the day.

She will also be running a stall selling cakes, new and pre-loved jewellery at The Hub on Thursday, July 18th from 10am to 1pm.

Susan would like to thank all her family and friends who have supported her fight against cancer and fundraising campaign, particularly Fiona from Casualwear at the Old Bonded Stores on Marine Parade.

Lyme falls in line with the nation

AFTER almost 70 years, the Royal British Legion Remembrance Sunday Parade and Service in Lyme Regis is to change its times to the morning rather than the afternoon. This year the event falls on Sunday, November 10th.

The decision was made at the annual meeting of the local Legion branch when it was felt that Lyme Regis should "fall into line" with the rest of the nation by moving the service to the morning.

It was also felt that the original reason of the afternoon service was no longer valid. Soon after World War Two Lyme Regis did not have its own Town Band to parade and neighbouring Town Bands offered to help out as long as the service was in the afternoon. With the re-forming of Lyme Regis Town Band in the early 1980s following a financial gift by the filmmakers of "The French Lieutenant's Woman" the situation was rectified, but the precedent never changed.

Vice-chairman David Manners, said: "The co-operation of our town's churches has been invaluable in the rescheduling of the parade and service and the Royal British Legion are very grateful to them. There are still a few logistical issues to overcome, but I believe, having spoken to several organisations, the general consensus to change is favourable. Our nation and Lyme Regis will be at one at 11am on Remembrance Sunday.

"The service will now begin at 10 am and conclude at 11 am with the two-minute silence followed by the parade dismissal in The Square. It is my intention to write to every organisation in the town to invite them to attend and in which I will detail specific timing.

"I would be grateful also, if any Royal British Legion member who has e-mail, to contact me on drgmanners@bt-internet.com in order that improved communication can be made between the committee and our many members. A member's e-mail address is a most helpful and efficient means of providing RBL information."

The Annual Armistice Day Service at the War Memorial at 11 am on Monday, November 11th remains unchanged.

Park and ride open this weekend

WITH another scorching weekend predicted, Lyme Regis Town Council have announced that the Sidmouth Road park and ride will be open on Saturday and Sunday from 10.30 am to 6.30 pm.

The news will be welcomed by local traders who have been calling for the park and ride schemes to operate more frequently.

Youngsters show off talent at Big Mix

A WEALTH of young local talent was showcased at the successful Big Mix Festival in Lyme Regis.

Organised by youth music group B Sharp, the one-day free festival was held at Theatre Square on Saturday attracting a crowd estimated at 1,500.

The festival was officially opened by the Mayor of Lyme Regis, Councillor Sally Holman, with the audience being welcomed by B Sharp chairman Ayvin Rogers.

Residents and visitors to Lyme enjoyed a varied programme of music throughout the afternoon and late into the evening, with performers ranging from six-year-old Darci Street singing "Somewhere Over the Rainbow", complete with Dorothy costume and her own Toto dog, to Weymouth-based hip hop and rap band Grime District.

Many of B Sharp's regulars also performed solos and got together to write their own music.

Headlining the festival was The RPMs, who recently

performed at Glastonbury Festival, and, making their come back, popular Lyme Regis band Papa Le Gal.

Other attractions at the event included a barbecue by award-winning Charmouth chef Ian Simpson, refreshments from the Folk pop-up cafe and Marine Theatre's Stage Door Bar, a raffle and relaxing hammocks.

Fran Williams, B Sharp director said "The entire event was incredible, a feast of excellence and diversity. We had a very full house from beginning to end with audiences swelling to 1,500. Everyone was so happy to be soaking up the music and sunshine, they were so appreciative and couldn't quite believe this was Lyme Regis. Someone said to me 'this is the best and most exciting music event since the Radio one Roadshow'.

"This was the second time B Sharp had held an event at this location outside the Marine Theatre and it won't be the last."

■ **OFFICIAL OPENING:** B Sharp chairman Ayvin Rogers and Mayor Sally Holman welcome the audience

■ **KICKING THINGS OFF:** Phoebe Townsend opens the festival on the ukelele

■ **MAKING MUSIC:** One of the B Sharp bands play their own tunes

■ **MUSIC IN THE NIGHT:** Hundreds packed into Theatre Square to listen to the various acts and bands at the Big-Mix festival.

Sun shines for school fete

ST Michael's Primary School in Lyme Regis held its annual summer fete on Friday evening.

The school was bustling with children and their families keen to support the annual event.

Attractions included stalls selling local crafts and gifts, a raffle, tombola and cakes. Many of the students also set up their own traditional fete games and stalls on the playground. Refreshments included a barbecue and bar.

One of the most popular stalls was the ice cream stand, where children could choose their favourite flavour and toppings to cool them down on the hot evening.

Pictured top left, students offer their own homemade cakes and, bottom left, children and parents crowd the ice cream stall.

Family set for summer show

GREEN FINGERS: The Reverend Gavin Tyte with daughters Rowena and Gemma. Photo by CAROLE

THE Tyte family - Uplyme vicar Gavin and his daughters Rowena, 12, and Gemma, 14 - have been busy among the broad beans in preparation for the Uplyme and Lyme Regis Horticultural Society's Summer Show on Saturday, July 20th.

Not that broad beans are their only garden crop; cabbages, runner beans, strawberries, rocket and chillies could all provide the elusive winner's award. But no decisions on which ones to enter will be made until the Wednesday before the show, the last date for entry, July 17th.

The Reverend Tyte is no newcomer to the horticultural society competition. He beat River Cottage's Hugh Fearnley-Whittingstall's entry to first place in the "Crudité" class two years ago and this year is contemplating what ingredients might make "Three Good Things on a Plate", another class that relies on

taste rather than appearance.

The girls' strategy for winning seems to be based on quantity - entering as many of the aged 12 to 14 creative and cooking classes as they can, plus taking a shot at the Young Gardeners Award with its River Cottage prizes.

And Whispa, the Tyte's labrador, will not be staying at home on show day. Rowena plans to enter her in the family dog show, particularly in the most appealing eyes class.

To see how you might compete in the horticultural society's Summer Show visit the website at <http://ulrhs.wordpress.com/> or pick up a free printed copy of the schedule at Uplyme Post Office, Raymonds Hill Post Office and Ginger Beer in Lyme Regis.

Great to see Theatre Square in use

I'M writing this week's column the morning after B Sharp's excellent Big Mix Festival on Theatre Square (no headache, I promise!).

This was a real summer treat, attracting hundreds for a whole day of free musical entertainment in the sunshine and a platform to show off some of Lyme's most talented youngsters.

Popular acts included Lyme favourite Papa Le Gal, making their much-in-demand comeback, and sweet, six-year-old Darci Street. An exception to the minimum age rule was made for Darci to take part in the festival as she impressed audition judges so much with her singing voice. Organisers could be certain they made the right decision as she performed "Over the Rainbow" in Dorothy costume, complete with sparkly red shoes, on Saturday.

I can't help but be impressed with B Sharp project co-ordinator Fran Williams and organ-

isers - the event seemed to run smoothly and was a hit from start to finish. Well done to all involved! Hopefully it will become one of our regular summertime events to look forward to.

My only question - why can't we do this more often? It was great to see the usually empty Theatre Square in use and the stage could be seen from the other end of Marine Parade, adding a prominent attraction to the

seafront.

Wouldn't it be great to see something more permanent throughout the whole of summer, with regular outdoor gigs?

The area has been under-used in the past because of restrictions put in place by West Dorset District

Council and South West Water, who need continuous access to the sewerage works below, but I hope other local organisations will follow Fran's lead and negotiate with the local authorities to make use of this top, seafront venue.

It's such a shame to waste it!

Are you learning those three chords?

ANOTHER new event that Lyme Regis can look forward to this year is Guitars on the Beach this September.

This is set to be one of the biggest events Lyme Regis has ever staged, with 2,200 guitarists now signed up for an attempt to beat the record for playing the same song at one time - Buddy Holly's "Rave On".

The song has been chosen as it is simple to learn with just three chords - G, C and D. Guitarists of all abilities and ages are invited to join "Britain's Biggest Band" on Lyme's main beach. So get practising now!

The record attempt will be led by the Guitars on the Beach house band, fronted by star of the West End

show "Buddy", Billy Geraghty, and music will continue throughout the weekend with buskers all over Lyme and gigs in the Marine Theatre.

The event is gaining interest from across the UK and the world, with the house band and organiser Geoff Baker filming a music video to help promote it on the beach on Sunday.

So if you haven't yet made a note of this in your diary do it now - the record attempt will be held at 5pm on the beach on Saturday, September 7th. This is one not to miss!

To sign up to "Britain's Biggest Band" visit www.guitarsonthebeach.co.uk

What I'm doing this week...

This week I have a week off - hoorah!

I think I have picked the best possible time to book a week off to relax in Lyme Regis, as the sun is set to stay out all week. So this week I will mainly be sitting on the beach! However, I can't quite tear myself away from Lyme events completely...

Anyone who knows me knows I love my food - eating out is my favourite thing to do and diets don't go down well in my house! So the fact that Lyme is hosting three food festivals this year - last month's Crab Festival, this week's Mackerel Festival and the Food Rocks festival in September - is quite a treat!

This week I'll be attending the two main Mackerel Festival events. The first is a debate on mackerel fishing followed by a mackerel feast served up by top chef Mark Hix and team, both in the Marine Theatre tonight (Wednesday).

The debate starts at 6.30pm and the three-course dinner at 8pm. Last-minute tickets may still be available from the Tourist Information Centre.

The second fishy event is a cook-off on Marine Parade between Mark Hix and head chef of his Lyme Regis restaurant, Lin Pidsley. The competitive pair will be cooking up

mackerel treats and selling them to the audience for charity in the Marine Parade shelters from 1pm on Friday.

Since I'm on holiday this week I will also be pampering myself at the Mariners Hotel's new beauty salon, open to guests and non-guests and offering a range of treatments. I'll be trying out a manicure to review in next week's View.

Finally, don't miss the 10th anniversary celebrations of Lyme Regis charity Lym Zim Link in the Baptist Church Hall on Saturday, from 10am to 1pm - lots of stalls, gifts and games.

WHAT ARE YOU DOING THIS SUMMER?

Are you doing something special this summer? Does your business have a summer special or club have a new summer activity? If so, please get in touch and you could be in next week's *Summertime in Lyme* column.

Souvenirs of Historical Lyme

JANET Evans' father, Frank Hiscock, was born in Corporation Terrace (now Lym Close), attend the Woodroffe Grammar School and, when Boots was looking for a young man to train as an apprentice, 15-year-old Frank was chosen.

After a year working as a dispenser for Boots, he went to Bristol to train as a pharmacist. He met his wife when she worked in service in Lyme and their daughter, Janet, was born during the war.

Janet has kindly shared her memories of growing up in Lyme, though she only has vague memories of her earliest years in Corporation terrace, mainly involving ducks!

In 1952 Frank took over the chemist's shop in Broad Street. The "Chemists" sign can be seen on the left of the photo. The shop is now, of course, Options.

It was a very busy shop but very old fashioned when the family moved in. There were no shelves, just wooden boxes. The counter projected out into the customers so the assistants had to wade through them to unlock the doors to collect items, such as Brylcreme, lock them up again and plough back through the crowds to complete the sale.

Frank had two assistants, Eileen Wheeler and Gloria

Emmett. Janet remembers her dad working from 9am to 1pm, then enjoying an hour's break for lunch before opening again at 2.15pm until 7pm.

The pharmacy fitted in with the doctor's surgery hours and, if a prescription was needed urgently, Mr Hiscock would prepare it even in the middle of the night.

There was no emergency department at the hospital so Frank became a dab hand at removing sand from children's eyes, sothing jelly fish bites and tending cuts and bruises. Frank used to make

many of his own products, such as hand cream and cough mixture. Janet remembers him shaking the lanolin for hand cream all through tea.

What's on at the museum...

Catch of the day at museum...

AN up-coming ArtsFest exhibition will captivate visitors of all ages as it turns the quirky Rotunda Gallery of Lyme Regis Museum into an exciting underwater world.

Open daily from July 19th to September 8th, "The Catch" is in fact a giant lobster pot, woven with words, created by installation artist Sarah Thomas.

Inspiration for the work came from a woven dome lobster pot and locally produced lace in the museum's collection, both referring to industries that have played a part in Lyme's history and present day.

Sarah explains: "The Rotunda itself was also a massive influence upon the work. The pot will occupy the centre of the space echoing its hexagonal surroundings, a dome within a dome. The viewer will be able to move around the work looking through the pot's intensively woven structure."

"Rather than making the pot's mesh with rope, I will be using flat wooden strips painted in a kaleidoscope of colours

and including some text. The text will be extracts from literary works about the town or from descriptions found in the museum's displays."

From July 26th to August 12th visitors will also have the opportunity to see two more of Sarah's extraordinary installations, as her replica bathing machine and set of decorated deckchairs will be next to Rinky Tinks Ice Cream Parlour on the seafront during both Lifeboat and Regatta and Carnival Weeks.

These two works, inspired by photos in the Museum's collection, and "The Catch" are part of Lyme Regis ArtsFest's recollection initiative which is supported using public funding by the National Lottery through Arts Council England.

Sarah will be talking about her work at a preview of the exhibition at the Museum on Thursday, July 18th from 6pm 8pm to which all are welcome.

... and fishy art at Aroma Cafe

THERE'S "Something Fishy" going on at the Aroma Café in Lyme Regis this week.

Local artist Maria Barbashina has decorated the café with her fishy-theme paintings to tie in with this week's Lyme Regis Mackerel Festival.

The paintings, featuring fish caught both locally and off the shores of South Portugal, are the result of the last few months of Maria's work and are available to buy during the Mackerel Festival, with five per cent of each sale being donated to the Marine Theatre's "Raise the Roof" campaign.

Josie Jackson from Aroma Café said: "We very much welcome local

art in the cafe and currently have other pieces by Peter Wiles, Paula Youens and Linzi West. We have sold Maria's paintings previously, they are always popular."

To view more of Maria's work visit the website <http://mariabarbashina.webeden.co.uk>

'Madness' to pour money into the Hub

■ WHEN is Lyme Regis going to realise what a colossal white elephant The Hub is becoming?

Month after month they have their hands out asking for more money without its users ever doing any fundraising on their own behalf.

So far LRDT has bought the building and poured tens of thousands of our money into renovating it on the assumption it would be of use - to whom? To just a handful of people in this town.

It is open a mere nine hours a week and has been attended by only 198 young people this year.

When challenged by Cllr Ellis at the recent grants meeting, Cllr O'Grady justified their request for even more of the town's money on the basis that, "The Hub is an ongoing project and we should continue to support it."

I would like to ask what 'ongoing' actually means. What plans does the Hub have to make it more available to a wider section of the community, open more hours and offering a wider range of events and activities?

Before it gets one penny more of our money, we should insist on knowing a) it's operating costs, b) accurate figures on the number of people who use it each time it is open, c) its plans for generating income by its own efforts

rather than yet more grant applications and d) what those ongoing plans actually are.

Lyme Regis has a wide range of spaces available for the community to use: the rooms above the Jubilee Pavilion, the Marine Theatre, Davey Fort, Woodmead Halls and the Royal Lion.

Those few people who use The Hub could quite easily run their activities from the Woodmead Halls where they could hire both halls (including good toilet and kitchen facilities and easy access for the disabled) for less than £20 an hour. To translate that into the current usage of The Hub it would be £180 a week/£3120 a year, and there would be no need to pay for the services of a Hub Administrator or any overheads such as utility bills or insurance. It is easily accessible for the current Hub users and safer in terms of proximity to passing traffic.

It is madness to continue pouring money into this white elephant of LRDT's and disgusting that, at a time of recession when we are all feeling the pinch, LRDT thinks it appropriate to squander the town's funds in this way.

Timber Hill, Lyme Regis

'Bugsy Malone' was an enjoyable show

■ WE would like to congratulate the Woodroffe School on an excellent performance of "Bugsy Malone", a thoroughly enjoyable show.

As always the cast gave their all; those many rehearsals certainly showed in the performance. The singing was great, as was the dancing. Well done to the choreographer.

The band played wonderfully under the excellent direction under Jon Cullimore.

With the whole of the cast squeezed onto the stage

for the finale singing and dancing their hearts out (I wanted to join them), the audience responded with clapping and tapping of feet.

So well done Woodroffe School and we look forward to seeing your next show.

Mr and Mrs R. Wootton,
King's Way,
Lyme Regis.

ART AT THE TOWN MILL

Local scenes at new exhibition

PICTURED above, artist Matt Culmer stands by one of his delicate outdoor scenes.

Matt always paints outside, and specialises in painting local areas and beaches.

Formerly an airline pilot, he is now thoroughly enjoying his new career and is part of the current exhibition in the Courtyard Gallery at the Town Mill in Lyme Regis, together with Bob Bradshaw and David McCracken.

Bob is displaying his delicate watercolours,

again of local scenes, and David also works in watercolour but on mountboard with a gesso base which gives a fascinating texture to his images.

In the Upstairs Gallery, an interesting collection of photographs and photoart work gives an insight into the diverse possibilities for image making offered by modern technology.

These exhibitions run until July 17th and are open from 10.30am to 4.30pm daily with free admission.

Kitson & Trotman

KITSON & Trotman Solicitors give some guidance on what to do in the first five days following the death of a friend or relative.

In many cases the hospital or GP involved will help you with these early steps:

- Contact the funeral director.
- Contact family and friends.
- Register the death at a register office.
- Locate the late Will - the deceased's solicitor may have a copy.
- Begin funeral arrangements - you will need to check the Will for any special requests.

The date of the funeral cannot be finalised until after the death has been registered and if the death has to be reported to the Coroner, the date when the funeral

can be held will be affected.

Information needed for Registration of the death:

- Name and address of the deceased.
- National Insurance Number.
- Date of death.
- Places of birth.
- Place of death.
- Occupation.
- Maiden name.
- List of pension and benefits from public funds.
- Name of birth of surviving spouse.
- Date of birth of surviving spouse.
- Occupation of surviving spouse.
- Deceased spouse name.
- Deceased spouse date of death.

GRIEF is quite common and is the normal internal feeling one experiences in reaction to a loss, while bereavement is the state of having experienced that loss.

The potential negative effects of a grief reaction can be significant and are often aggravated by grief triggers, events that remind the bereaved individual of their loved one, or the circumstances surrounding their loss.

The risk factors for experiencing more serious symptoms of grief for a longer period of time are related to the survivor's own physical and emotional health before the loss, the relationship between the bereaved and their family member or other loved one, as well as related to the nature of the death.

Bereaved individuals who feel the death of their loved one is unexpected may be at greater risk for suffering from major depression, post traumatic stress disorder (PTSD), or prolonged grief.

The seven emotional stages of grief are shock or disbelief, denial, bargaining, guilt, anger, depression, and acceptance/hope.

To assess grief, a health caregiver usually asks questions to assess what symptoms the individual is suffering from, then considers whether he or she is suffering from normal grief, prolonged grief, or some other issue.

Coping tips for grieving include the bereaved individual's caring for his or herself through continuing nutritious and regular eating habits, getting extra rest, and communicating with surviving loved ones.

Consulting with solicitors or other legal experts is advisable when either planning for or managing the legal matters associated with a death.

Some of the major legal issues involved with dying include the person's right to have informed consent to receive or refuse treatment, advance directives and making funeral arrangements.

STOKE ABBOTT STREET FAIR

STOKE Abbott's annual Street Fair, on Saturday, July 20th, kicks off in time-honoured tradition with the 'Stoke Abbott Sick Club' parade at 1.45pm. From 2pm, there will be an exciting array of stalls and lots of new attractions for families.

As well as trying their hand at the Slippery Horse, face-painting and other fun stuff in the Childrens Games Garden, kids can get up close and personal with Chippy the Barn Owl and a donkey or two, and 'go for gold' in the novelty dog show, packed with classes just for junior handlers as well as adults.

The popular second hand clothes stall - now run by village resident, Barbara Stewart, who is a former fashion editor - will include a selection of top quality children's clothes for the first time, and the toys stall promises to be bigger and better than ever. There's also ferret racing, for the first time, and a human slot

machine.

Live music comes courtesy of the Rex Trevett Big Band - a huge hit last year - and the New Inn garden will play host to a coconut shy, traditional skittles alley and a barbeque plus live music in the bar in the evening.

Set out along the village lanes, other traditional village-run stalls will include cakes, plants, jams, jewellery, 'Granny's Attic', crafts and books. Delicious cream teas will be served throughout the afternoon in the village hall.

Car parking, at a cost of £1, is available on the road into the village from Beaminster with a free shuttle bus service to take visitors up to the New Inn.

Proceeds from this year's fair will go to St Mary's Church, the village hall and the Weldmar Hospicecare Trust.

Special Saturday gig in the garden at 115 Club

Michael Armstrong and Steve Rodgers both set to perform at the Bridport venue this week

THE 115 Club are over the next couple of weeks showcasing two of the countries finest contemporary artists, both returning to Bridport's only dedicated Music & Dinner Venue by popular demand!

Michael Armstrong, fresh from a European tour, brings his unique take on some of the finest soft rock classics from the 60s right up to today, but to add a twist to the 115 Club's regular format, this gig is taking place on Saturday, July 13th, in the Garden at the 115 Club behind the Bridge House Hotel, accompanied by a BBQ! Taking a step from the usual cellar environment the 115 Club are aiming to take full advantage of the glorious summer weather that has finally graced Bridport!

Secondly, returning to format, Thursday, July 18th, Steve Rodgers will be entertaining yet again in the Cellar of the 115 Club. Offering his fabulous vocals,

gentle guitar and soothing tunes to make his second visit to 115 Club equally, we are sure, as his first. Steve is on the brink of releasing his second album and if it is anything like his first it will be full of instant classics, with his vocals lighting up the ambient cellar this can only be one of the finest names to have graced the 115 Club.

Both artists have performed at 115 previously, both to a packed house, with all the charm and wit of seasoned performers they can only be predicted to be sell out gigs of the highest standard.

Pre-booking for dinner between 7.00 and 8.00 pm (6.00 - 7.00 pm for Saturday 13th) is essential and guests should telephone on the day (between 2.00 and 5.00pm) to confirm numbers in their party. At which time they will be informed of the cover charge - anticipated at between £5 and £10 per guest. Un-

fortunately late-comers cannot be accommodated as dining must be completed before

the music starts at about 9.00pm. (8pm for Saturday 13th)

National Theatre Live presents Macbeth

MANCHESTER International Festival 2013's production of Macbeth will be broadcast to the Electric Palace's big screen on Saturday, July 20th at 8.30pm.

This electrifying new production of Shakespeare's tragic tale of ambition and treachery unfolds within the walls of an intimate deconsecrated Manchester church. Directed by Olivier and Tony award-winning director Rob Ashford and BAFTA award-winner Kenneth Branagh, Macbeth also stars Branagh in the lead role, his first Shakespeare performance in over a decade. Alex Kingston (Doctor Who, ER) stars as Lady Macbeth, in her first stage role in several years since she became a regular guest star on Doctor Who.

Kenneth Branagh has long been lauded as one of the great Shakespearean interpreters. His skills as a writer, director and actor have garnered international acclaim across the disciplines of stage, film and television, and he is the only man to be nominated in five different categories for an Academy Award. He last performed Shakespeare when he played Richard III at the Sheffield Crucible in 2002. Recent stage performances as Edmund at the National Theatre and Ivanov for the Donmar played to great acclaim. In 2011 he completed a sell-out run of the hit comedy The Painkiller at the Lyric Theatre in his home city of Belfast.

Appealing to a wide audience and age group this highly energetic production's very short run at Manchester International Festival sold out quickly so be sure to book in advance to see Macbeth the broadcast of at the Electric Palace. Tickets are £10 plus booking fee, available from Bridport tourist information centre: 01308 424901 and online at seetickets.com, or £12 on the door (if available).

ENERGISE

Stay fit and healthy in West Dorset

Over a twelve week period **Energise** will track the progress of Rob's personal fitness training at Bridport Leisure Centre.

Rob - Week 5

DURING the last 5 weeks, Rob's training routine has changed dramatically. Originally Rob was training for 90 minutes, 3 times a week and focusing on long periods of low intensity cardiovascular exercise such as the bike, cross trainer or treadmill. Although this burnt calories, this was only while Rob was exercising and wasn't keeping Rob's metabolism raised after his workout.

Rob's exercise routine has now completely changed to ensure he trains for 45 minutes, 5 times a week. Rob's workout sessions are now shorter and the intensity of his workouts has increased. Rob is also now focusing on resistance training the benefits as the benefits of this type of training are:

1. Improved muscle strength and tone
2. Increased metabolism (burning more calories when at rest)
3. Reduced body fat
4. Weight management
5. Prevention and control of health conditions such as diabetes, heart disease and arthritis
6. Increased self-esteem

Trainer Tip

If you cannot make it to the gym, you can replicate the above routine at home by walking for a warm up and cool down and using filled water bottles as weights. If you would like a personal resistance circuit designed, simply visit Bridport Leisure Centre and one of our personal trainers will design a bespoke routine for you.

We are currently focusing on circuit training with Rob as this keeps his heart rate elevated while working Rob's muscles at the same time. Circuit training is a selection of exercises followed back to back without any rest.

Here is an example of Rob's session:

- 10 minute warm up
- 15 Press ups
- 15 Burpees
- 20 Lunges with weights
- 15 Pulls up (assisted)
- 15 Squat curl and Press
- 15 Bent over rows
- 15 Jumping squats
- Rest for 1 minute and repeat 3 times
- 10 minute cool down

Win £100 worth of vouchers to spend at the newly opened wagamama restaurant in Dorchester's Brewery Square!

wagamama, the Japanese-inspired restaurant, opened in Dorchester in April, and to celebrate we are giving five lucky readers the chance to win £100 worth of **wagamama** vouchers to treat yourself, your family, and your friends, to a delicious meal.

The new restaurant is serving all of wagamama's favourites, including its ever-popular noodles dishes, such as the ginger chicken udon and the chilli beef ramen. **wagamama** recently launched its new spring summer menu which includes a variety of new juices, sides and mains. Fans of fresh summer salads will love the miso salad, which delivers a burst of colour with either shredded chicken or warm flaked salmon. Also appearing on the new menu is the tom yum soup - a spicy and tangy coconut and lemongrass broth served with rice noodles and topped with either stir-fried chicken or prawns.

wagamama prides itself on the quality and speed of its service. Dishes are prepared immediately, ensuring they arrive freshly cooked. Although dishes may be delivered at different times, the **wagamama** philosophy is: don't wait - just tuck in and share!

The new restaurant is part of the highly anticipated multimillion pound development on the site of the nineteenth century brewery in Dorchester. With outdoor seating, diners can enjoy the warmer weather, making the new restaurant a great place to stop off for lunch or dinner in the heart of Brewery Square.

To be in with the chance of winning £100 of vouchers to be spent at **wagamama's** new Brewery Square restaurant, answer the following question:

LAST CALL FOR ENTRIES

WEST Country photographers are invited to submit work for inclusion in the second Lyme Regis Open Photography Competition at the Town Mill Malthouse, Lyme Regis. We are pleased to welcome Lyme based professional photographer Peter Wiles and Guy Kirkham winner of the BBC's Somerset Landscape Photographer of the year Competition as our competition judges.

Guy Kirkham Winner of The BBC's 'Somerset Landscape Photographer of the Year' Competition was born in Taunton, Somerset in 1978 and educated at Taunton School. A keen amateur musician and a qualified tree surgeon, his interest in photography started at the age of thirteen on being given a minolta 35mm slr. Many trips abroad, armed with a camera, have resulted in photographs of many varied subjects and locations, including Africa, America, France, Thailand, and of course, the South West of England!

Guy is available to photograph weddings, family portraits, parties, bands and all other types of events. For more information on Guys work please search for Guy Kirkham Photography on FaceBook, email guyzokirkham@googlemail.com.

Peter Wiles developed his photography work professionally after moving to Lyme Regis 10 years ago. The annual Lyme Regis ArtsFest, which started in 2003, provided an important impetus to develop and show his work. Much of Peter's photography is community-based, documenting the town, its people and events and providing images for local organisations. Special projects include a series on Lyme Regis people in their work places and also documenting the coastal protection work that took place in Lyme Regis between 2004 and 2007. In contrast to his Lyme Regis-based work, Peter also enjoys other visual challenges including urban and theatre photography. His earlier international humanitarian and development work is also a source of archive images. Peter is currently documenting the joint Lyme Regis ArtsFest / Museum re:collection project which is supported by funding from Arts Council England. His website is at www.lymescapes.co.uk

The Competition Winner will receive £200, Second Prize - £100.00. There will also be a People's Choice Prize of a £50 Voucher for the Mariners Hotel, Lyme Regis, for the artist whose work is most voted for throughout the course of the Exhibition.

Voices from Billy Crystal, John Goodman and Steve Buscemi.

PACIFIC RIM^{12A}

AS a war between humankind and monstrous sea creatures wages on, a former pilot and a trainee are paired up to drive a seemingly obsolete special weapon in a desperate effort to save the world from the apocalypse.

You'll also be able to purchase a Buddy's favourite Jumbo Jurassic Burger or Mr Conductor's Troodon Hot Dog plus many other themed dinosaur treats at

SITUATED in an elevated position above the town this contemporary styled three bedroom house boasts stunning panoramic views of Lyme Bay and along the West Dorset coastline. Coram Court is an exclusive development situated in an elevated position on the western side of Lyme Regis accessible to the town and harbour. The house is ideally suited as an impressive principle residence, holiday home or has excellent letting potential. The accommodation is arranged over two floors with the kitchen, spacious dining room, two double bedrooms and a shower room on the ground floor while the living room and master en suite bedroom on the first floor making the most of the superb views.

Lyme Regis is famed for its many historic connections and character buildings, and of course, for its well-known Cobb Harbour. As a resort, it is considered quite unspoilt, but has

most of the shops and amenities that one could require, in addition to which there are numerous leisure activities including both sailing and power boat clubs, a cliff top golf course and a bowling club. The whole coastline with Lyme Regis and Charmouth at its centre has recently been designated a World Heritage Site and is commonly known as the Jurassic Coast. It lies approximately 5 miles from the market town of Axminster, with its main line railway connections to Waterloo (Approx. 2 3/4 hours). The market town of Bridport is approximately 7 miles distant, with Taunton and Exeter within a radius of about 30 miles with access to the M5 motorway. The county town of Dorchester is within a similar distance.

A viewing is highly recommended to appreciate all this property has to offer. Please call Fortnam Smith & Banwell Estate Agents on 01297 - 445666 to arrange a viewing.

Broadwindsor success for Symonds and Sampson

JEREMY Smith of Symonds & Sampson in Beaminster is delighted to be able to report heavy property sales in the popular Dorset village of Broadwindsor. Jeremy commented "Broadwindsor has always proved to be a popular village, but the recent opening of its excellent community store has not only raised its profile, but also in my view made the village more desirable and therefore lead to increased property sales". Recent sales agreed 14 Redlands Lane which is a two bedroom semi-detached house, 16 Redlands Lane which was a four bedroom detached house, and 20 Redlands Lane which is a four bedroom terraced home. We have also sold a find bungalow in Orchard Mead, a very desirable three bedroom end of terrace home called Blackbird Cottage and most interesting Yew Tree Cottage which was a four bedroom terrace home which had been on the market with one of our competitors for a significant period of time, but we managed to agree a sale in just over a weeks marketing. Obviously selling these properties quickly does leave a dent in our property portfolio, if you are considering either in Redlands Lane, Orchard Mead, Yarn Barton, etc, or have a three or four bedroom cottage which you wish to sell, why not contact myself or any of my sales colleagues Erica, Kate, Jane or Denise on 01308 863100 and book your fee market appraisal.

All new 4x4 model joins the Swift range

- Available with 1.2-litre petrol engine and five doors in either SZ3 or SZ4 grades
- Fully automatic and permanent 4WD system
- Just 65kg heavier than an equivalent 2WD model
- CO2 emissions of 126g/km
- Available with VAT free until September 30th

SUZUKI has a strong global heritage for its 4WD models and now, following sales success in Japan as well as several European Countries including Germany and Switzerland, Suzuki is launching the 4x4 Swift in the UK and it goes on sale this month.

Swift 4x4 will be available as a five door 1.2 petrol model with manual transmission and equipped as either an SZ3 or SZ4 grade.

Apart from 4x4 badging and a slightly increased body ride height of 25mm the SZ3 grade appears identical to an equivalent SZ3 five door. The SZ4 model has a more rugged appearance and offers extra protection over rough ground by adding front and rear skid plates, black wheel arch extensions and black side skirts.

This new model has a proven and simple fully automatic and permanent 4-wheel drive system which transfers additional torque to the rear wheels when required via a viscous coupling, further enhancing the already highly acclaimed cornering ability of the Swift.

It is also an ideal choice for customers liv-

ing in rural areas needing additional mobility or for crossing slippery surfaces during winter without owning a larger and more conventional SUV sized vehicle.

Thanks to the use of small and light-weight components Swift 4x4 is just 65kg heavier than an equivalent 2WD petrol model and emissions are only 10g/km higher at 126g/km.

Included in Suzuki's recently extended VAT free offers, the 4WD Swift is priced at £11,516 for SZ3 and £13,116 for the higher specified SZ4 model which now includes power folding door mirrors with integral indicators and Daylight Running Lamps as standard equipment.

Seat smashes its half-year sales record in the UK

- SEAT registers 22,752 cars during the first half of 2013 – a new company record
- Record-breaking figure is 18.6% higher than SEAT's previous UK half-year best, in 2012, and beats market growth
- SEAT second quarter sales (April – June) are up by 35% compared to 2012
- Company on course for a fifth consecutive annual sales rise
- SEAT has now exceeded 600,000 UK registrations since entering the market in 1985

SEAT is celebrating an astonishing first half of 2013, with half-year UK sales figures that put the company well on course to smash its yearly sales record.

The 22,752 SEAT cars registered between January and June 2013, according to SMMT figures just published, are a half-year company record. The number eclipses SEAT's previous half-year record, set in 2012, by 18.6%.

In addition, the 4,428 SEAT cars registered in June is a 29% sales jump compared to the company's previous record June, also in 2012.

According to SMMT figures the UK market is buoyant, with June sales up 13.3% and half year sales up 10.2% compared to 2012 – yet SEAT's figures trump both of those.

The sales spike can be attributed in part to the model offensive that SEAT has undertaken since the start of 2012, comprising the introduction of three brand new models – Mii, Toledo and Leon – and significant revisions to the Ibiza, including a new flagship Ibiza Cupra.

SEAT UK Director Neil Williamson said: "Within the last few days we've picked up the coveted Auto Express Car of the Year award for the Leon five-door, launched the stunning Leon SC in the UK, and broken our half-year sales record... we've had worse weeks."

"Between the Mii city car, the staggeringly spacious Toledo, and the all-new Leon family, SEAT now has a model range that's broader and

higher quality than ever. That fact, along with an ever-strengthening dealer network, is starting to show in our sales figures.

"And with further expansion of the Leon family due before the year is out, SEAT UK is on course for the best year in its history."

SEAT's 2013 sales to date are spearheaded by the Ibiza family, with 10,198 sold. The new Leon follows it in the sales charts, with 5,096 five-door models sold so far. The remainder of 2013 will see Leon sales augmented with the addition of the three-door SC; once the Leon family is complete, SEAT expects the SC to account for 17% of overall annual Leon sales.

Since 2008, SEAT UK has achieved consistent sales and market share increases, culminating in enjoying its best ever tallies in 2012: 38,798 and 1.9% respectively. In 2012 the company sold around 10,000 more cars than it did in 2008.

Nissan celebrates car and van fleet growth in first six months of 2013

- Fleets bought 29,487 cars from Jan to June, a rise of 4,102 units on 2012
- Nissan fleet car market share now at a record 5.4%
- Nissan LCV fleet market share grows 151% to 4,445 units, a 4.8% market share

NISSAN has reported a very strong fleet performance in the first six months of 2013 with combined car and van sales up by 20% to 33,932 compared with the same period in 2012 (28,329).

Fleets bought 29,487 Nissan cars from January to June 2013, a rise of 4,102 year on year, which represents a record 5.4% market share. Nissan became the sixth largest fleet car brand in the UK and sold the equivalent number of cars as Toyota and Honda combined.

The star performer was Juke which rose 49% to 7,469 units (from 5,023 in 2012) while combined Qashqai sales rose to 16,561, a rise of 2,325 over 2012. Both LEAF and NV200 minibus also experienced sales growth.

Nissan's LCV performance was just as impressive with 4,445 vans bought by fleets in the first six months of 2013, a 51% rise over the same period

in 2012 from 2,944.

Nissan's LCV market share rose from 3.6% to 4.8% helped by strong NV200 sales growth to 2,336 units, a 114% increase over 2012. The Primastar, Cab-

star, NV400 and Navara pick up also reported sales growth in this period.

"Our fleet sales growth is a sign of the investment we have been making in all aspects of our business over the past two years," said Barry Beeston, Nissan GB's corporate sales director.

"With the current launch of the all-new NOTE into the B-sector and the further investment in our dealer network we hope to see continued fleet growth during the remainder of 2013," he added.

Bowls round-up

Near perfect week for Lyme Regis men's team

Bridport men cruise home against Wellworthy

BRIDPORT BC
BRIDPORT Bowling Club's men had a convincing 69-40 win at Wellworthy in Dorset League Division One.

Barry Shortland, Keith Brooks, Brian Conisbee and Chris Thorne were 6-10 down after ten ends but then proceeded to win eight of the next 11 ends to win 29-14. Ben Jones, Brian Iversen, Keith Gentry and Bill Payne led from the seventh end and ran out 27-19 winners.

In Division Two Bridport B came a cropper at Lyme Regis losing 42-65.

The club took six mixed rinks for a friendly game at Exmouth Madeira which the hosts won 132-93.

The best Bridport rink was Ian Newitt, Peter Billett, Christine Cowdrey and Brian Rumble who won 21-12.

LYME REGIS BC with Paul Moffitt

A BRILLIANT week for the men in their respective leagues. A total of 28 points won from a maximum of 30, this is indeed encouraging.

Lyme took all 10 points from their match against Portland B.O just one week after taking nine points from them on their own 'turf'. Lyme

'A' had a good eight point win over Sherborne 'A' whilst Lyme 'B' had a long overdue 10 pointer against Bridport 'B'. This last result achieved without the presence of captain Richard Cridge!

The ladies, alas, seem to have hit a barren patch after such a promising start to the season. They contrived to lose all 10 points against Sherborne, with only Chris Barber's rink coming close. In the Edna Paisley, on the other hand, Lyme took all six points on offer against Greenhill.

Not a good week for friendlies either I'm afraid as the Club played four lost three and drew one.

Lyme men were involved in the County Cup on Friday, drawing one of the strongest teams in the county, Greenhill. Although Lyme put up a gallant effort, both home and away, they only won on one rink, Paul Pomeroy's rink being the one success.

On Saturday, Lyme were again invited to take part in the Howard Cottrell Trophy at Honiton, having won it last year. The quartet of Chas & Chris Barber, John Beadsley and Paul Moffitt easily eclipsed last year's effort with a shot difference of plus 28, their nearest rivals were some 15 shots behind! Will we be invited back next year?

■ LYME Regis Gig Club's Junior crew held their own against fierce competition at Bridport's Regatta on Saturday. Most of the rowers were three years younger than the rowers of competing crews, but, with good technique and true Lyme determination, they made a good time on the finish.

The crew was: Eliane Round, Maeve Hankin, Tilly Lloyd, Abi O'Leary, Lauren Boggan and Charlie Simpson.

Lyon crowned club champion

LYME Regis Golf Club held its annual 36-hole club championship with prizes available for the best gross and best nett scores writes Richard Jackman.

In the morning Todd Larcombe's 72 was the best gross score and he was well placed in 2nd with a nett 67.

Top spot in the nett competition went to Adam Neale with a nett 65. Hovering in the wings in the gross competition were Roger Seed and Adrian Morgan, both with 74.

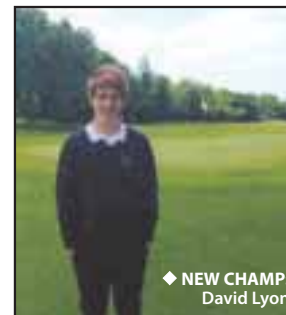

Sixteen year old Dorset county junior, David Lyon had other ideas. he eclipsed his five morning birdies with six in the afternoon to record a superlative gross 68,

nett 62, both the lowest scores of the day.

This was enough to make David the youngest winner of both competitions. His gross 144 was one better than Todd Larcombe's 145 with Ed Lawrence's 147 beating Roger Seed on countback.

In the nett competition David's 132 beat Rob Coombe's 134 from George Yorke on countback with Todd Larcombe finishing 4th with 135.

After receiving many congratulations on his win David paid tribute to the support and encouragement he has received from family and friends and in particular to club professional Duncan Driver who has coached him for the last five years.

Herbert scorches to ton in heatwave

DAVE Herbert didn't want to stay around long in the blazing sun on Saturday and so blasted his way to a superb ton in just 86 balls.

Herbert thumped 14 fours and five sixes at the Delph against Broadstone 2nds and saw them consolidate fourth spot in Division One.

Dorchester beat reigning champions Wimborne & Colehill to give them hope of retaining their Premier Division One status when the leagues are reorganised at the end of the season.

Their six-wicket victory sees them move within a point of Weymouth who went down at Poole Town.

There were good wins also for Bridport, where father and son Rod and Duane Gay starred in their fifth consecutive win, Cattistock, where Jon Legg took his season's average to 82, and Charlton Down who celebrated their tenth anniversary with a ten wicket win over Poole Town 4ths.

Dorset Funeral Plan League Premier League

WIMBORNE & COLEHILL 176 ALL OUT LOST TO DORCHESTER 179-4 BY 6 WICKETS

DORCHESTER struck a decisive blow in their bid to void relegation to the new Premier Division Two next season with a fine six wicket win at reigning champions Wimborne & Colehill.

Set 177 for victory they breezed past their hosts total with 13 overs to spare.

Wimborne lost Andy Hayward (3) early on bowled by Quenton Miller (2-37) but opener Ben Bridgen stood firm as wickets began to fall at regular intervals as James Caldwell (2-38) and later Sam Goodhew (4-37) chipped away.

Bridgen eventually succumbing for a fine 68 that held the innings together.

In reply, Miller (2) was an early victim, but former first teamer Colin Edney, who has been performing

stand of 124 with Rob Waite (54) that won the game for Dorchester.

Goodhew weighed in with 17 and skipper Dan Belt was 15 not out as the county town cruised home.

POOLE TOWN 218-7 BEAT

WEYMOUTH 217 ALL OUT BY 3 WICKETS IN an extraordinary game that saw extras total a quarter of Weymouth's 217 all out, the Seasiders failed to take advantage and went down to a three wicket defeat that sees Dorchester draw to within a point of them at the bottom of the table.

Poole Town bowled a total of 59 extras, 47 of them wides, and after losing openers Paul Payne (11) and Tom England (5) early, it was left mainly to Jonny Armfield (39) and Will McKay (37) to set the tone.

Kieron Womble (22), Jim Ryall (22) and skipper Matt Lawes (20) contributed later on and although they collapsed from 204-5 to lose their last five wickets for 13 runs, they set their hosts a fair score to chase.

However opener Brewster Surridge soon dispelled any thoughts of early success with a solid 85, and with John Salt (31) giving support it looked like an easy target.

But Simon Browne (4-43) and Lawes (2-27) helped reduced Poole Town to 161-5 before Dave Miller (20) saw them over the line with five overs to spare.

Division One

BROADSTONE 2ND 249-9 LOST TO MARTINSTOWN 353 ALL OUT BY 104 RUNS

DAVE Herbert blasted his way to a superb ton as Martinstown went to town scoring 353 with all but the two tailenders getting runs.

Herbert, who joined this season from Bridport, has been nursing a hamstring injury recently decided he was not going to hang around or run as he struck 86 of his 100 in boundaries, although he was dropped at long-off just after reaching his half century.

He shared an opening partnership of 79 with Ed Nichols (21) and then joined by Lee House (15) another 76 for the second wicket, before he departed on 169-3.

Solid middle order knocks from Sam Kershaw (33), Danny Dancer (32), Stuart Fry (39) and Liam Banfield (29) saw the hosts roast in the field as Martinstown were all out off the last ball of their 50 overs. Only R Poole (4-70) was really successful with the ball.

Martinstown's opening pair of Chris Read (1-22) and Fry (0-10) were very good bowling in tandem, before a shoulder niggle meant Fry had to be removed from the attack.

Despite the daunting total Broadstone settled down to defy the visiting attack and all the top order scored runs.

However, it was Harry Leadbetter (64) and Ben Griffiths (45) that were most defiant in denying Martinstown maximum points as the two added over 100 between them, and hard as they tried Martinstown could not bowl their opponents out but left them well short on 249-9.

Skipper Dancer who took 2-20 said: "This was a really good win for us over a team just below us which has increased the gap a little bit."

"It was obvious after the first 10 overs that 353 was out of their reach so it was then just a case of

trying to get the full bowling points.

"I tried a number of approaches but we just ran out of time at the end getting them nine down with Liam Banfield (1-40) and Sam Kershaw (3-67) bowled well in tandem during the middle overs.

"We scored 330 against them at home so it was nice to back it up with another big total.

"Dave has been a great acquisition for us this year. He hit some really big blows and got us off to a great start which we did well to convert into a big total.

"Our bowler's also performed well, and it was difficult to get breakthroughs but we stuck at it."

Division Two

BEAMINSTER 121 ALL OUT LOST TO CHRISTCHURCH 122-6 BY 4 WICKETS BEAMINSTER went down to their third home defeat on the trot, this time against high-flying Christchurch.

Once again missing important players, Beaminster struggled once the top of the order had gone with the dangerous James Cross (2-32) removing Fred Everitt (6) and Simon Jones (16).

Wes Lewis (8) and Ross Baker (1) soon followed, but it looked like skipper Will Everitt (22) and Dean Hyett (29) were building a useful platform with a stand of over 50 before they both succumbed to the spinners Nick Marsh (4-15) and John Adams (3-32), after which the tail was swept away with Beaminster only mustering 121 all out.

There was early success for Baker (2-32), bowling Adams (2), but G Williams (32) went for his shots as Christchurch passed 50 inside 10 overs.

However, Jack Walklett (2-20), Mark Barber (0-29) and Jones (1-20) subdued them with some tight bowling as Nick Aubin (39) and James Dugan (18) slowly worked their way to victory.

Everitt said: "Another 50-60 runs would have made it interesting, but once we were a bit short of batsmen again, but I was not too disheartened as they are a top side."

"Ross bowled very well again, and our bowling in general was very tidy."

Division Three

CATTISTOCK 168-4 BEAT STALBRIDGE 2ND 164 ALL OUT BY 6 WICKETS CATTISTOCK moved to just one point behind Dorchester 2nds after this convincing victory over an experienced Stalbridge 2nds.

The visitors won the toss and decided to bat, but lost their opener leg before to Martin Langford's second ball of the innings, before Lee Anderson bowled dangerman Matt Chant with a beauty to leave them 10-2.

James Lewis was batting beautifully however and reached 68 before he ruptured a cruciate ligament that saw him taken to hospital.

At 100-7, Ian Lomas-Walker (21) and Charlie Middle (35) came together and added 64 for the eight-wicket before Langford (4-35) and Bradley Damon (3-35) wrapped up the innings.

Steve Tucker (37) and Jon Legg put on 79 for the first wicket in reply and although Cattistock slumped to 120-4, a brisk 30 not out from

Damon including three 6s, and another solid innings from Legg (54 not out) saw them add an unbeaten 48 for victory, with Harry Woolway (3-30) the most successful Stalbridge bowler.

DORCHESTER 2ND 182 ALL OUT LOST TO PORTLAND RT 234-8 BY 52 RUNS DORCHESTER 2nds lost ground on leaders Cerne Valley with a shock defeat at home to Portland Red Triangle.

WEYMOUTH 2ND 159-7 BEAT BROADSTONE 3RD 158 ALL OUT BY 3 WICKETS WEYMOUTH made it an impressive three wins on the trot which takes them out of the bottom two for the first time this season.

Division Four

WEYMOUTH LONGSHOTS 138 ALL OUT LOST TO BRIDPORT 266 ALL OUT BY 128

◆ **JUST SHORT:** Duane Gay narrowly missed out on a ton for Bridport

RUNS

Father Rod, and son Duane, Gay were the stars of this win which saw Bridport's fifth consecutive win on the trot.

Taking advantage of winning the toss in the heat against nine men, Mark Smith (18) and Rod Gay got Bridport off to a solid start posting 35 before Smith was caught behind.

Gay (35) was typically explosive in his stroke play before he missed one and was bowled middle stump. When skipper Liam Toohill (16) followed Bridport were wobbling at 70-3.

Will Meech (8) soon followed, but with Alex Lee (10) quite content to give Duane Gay (96) the strike, the two added 81 for the fifth wicket.

Jamie Dollman (8) did likewise, adding 34 with Gay who knocked the ball into the gaps, ran well and put the bad ball away to the boundary, before both fell with the score on 206; Gay stumpd four short of his century.

The scoring didn't finish there. Ollie Lee hit a rapid 42 including

eight 4s, two of which were with his left hand, and Tristan Gale (12) saw the innings close off the last ball.

In reply Ollie Lee (1-35) dismissed M Hardy (14) with the score on 26, before a comical ten overs followed in which the home side dropped both Longshots batsmen four times each.

In that time opener J Trevitt (64) and S Nahayke (33) added 91 runs and threatened to upset the odds.

Toohill introduced Rod Gay (4-22) to the attack and his influence was immediate, picking up two wickets in two balls including the dangerous Trevitt.

Toohill (3-22) then got revenge on Nahayke who, having taken 12 off the first four balls of his over, got ambitious and tried scooping the ball over his own head where Dollman took a superb catch at gully, diving full length to take the catch one handed close to the ground.

At 131-4 the rest of the batting collapsed to 138 all out and a fifth consecutive victory.

Toohill said: The win was massive for us, five wins in a row is brilliant. There is a little gap opening up behind us in the table now and if we can get another 20 points on Saturday then that will be a big help.

"Rod, Duane, Ollie and everyone in between batted brilliantly; the comeback we had in the field was excellent. We do need to work on our catching however!"

ABBOTSBURY 262-7 BEAT DORCHESTER 3RD 89 ALL OUT BY 173 RUNS

MARTINSTOWN 2ND 93 ALL OUT LOST TO CREWKERNE 94-3 BY 7 WICKETS

MARTINSTOWN 2nds won the toss and elected to bat on a fantastic looking batting track under clear blue skies.

However, it quickly became apparent that runs were going to be hard to come by.

Crewkerne's opening bowlers Darren Parsons (1 for 11 from 7 overs) and Dan Rowsell (2 for 18 from 6) bowled a great opening spell offering little to the home sides batsmen, who were quickly three men down with the score still in single figures.

Tom Bracey (21) provided some resistance but Crewkerne's change bowlers proved just as effective as their opening pair, with Robbie James (3-24), and Mark Culpit (3-14) dismissing the home side for 93 from 30 overs.

In reply Crewkerne made short work of the run chase reaching the required target within 15 overs.

Chris Gould top scored with 31, concluding the game with an emphatic six.

Division Six

PUDDLETOWN 281-5 BEAT BEAMINSTER 2ND 160-9 BY 121 RUNS

BEAMINSTER put in another spirited performance but had no answer to opener Lucas Allen who scored 124 not out, repeating his feat in the reverse fixture at The Memorial Playing Field earlier in the season and taking his total to five already in this campaign.

Although Rob Meech (2-55) had early success bowling Mike Hoffman (5), Chris Ascott (38) and Steven Chaldecott (42) helped en-

sure Beaminster spent a long time in the field as they reached 281-5 in their 45 overs; Ollie Boxall (2-48) the most successful bowler.

David Hall and Shaun Annetts started cautiously in reply with only 11 scored in the first eleven overs with Annetts taking a nasty blow on the wrist but carrying on.

Nearly all of the middle order got starts but apart from Rob Meech (37) nobody was able to go on to make a big score, although they manage to bat out their overs to deny Puddletown maximum points.

Captain Hugh Rathbone said: "I have to say a big thanks to all of the team who's spirits are still extremely high considering we have yet to win this season."

CHARLTON DOWN 113-0 BEAT POOLE TOWN 4TH 112 ALL OUT BY 10 WICKETS CHARLTON Down had no problems at home to Poole 4ths.

After dismissing the visitors for 112; James Pretty (4-15); Jae Miller (61 not out) and Sam Roles (42 not out) cruised past the total without losing a wicket.

◆ **IN-FORM:** Rod Gay had a good all-round match in Bridport's win over Weymouth LS

They got off to a bad start losing Mark Smith without a run on the board, but Phil Hawkins, who batted extremely well for his 83, and Nick Skyrme (28) added 82 for the second wicket.

The total was boosted by Liam Toohill (36 not out) who took the score beyond the 200 mark with 21 off the last over.

Opener Paul Allaway proved the major stumbling block in reply, carrying his bat for 90 not out.

At one point the hosts were behind the clock with only 105 on the board off 24 overs, but Humphreys ensured victory with a quick-fire 58, Mark Tozer providing the highlight in the field with a superb direct hit for a run out.

◆ **TON UP:** Dave Herbert hit a superb hundred in Martinstown victory.

Get set for the Jurassic Coast run

SUNDAY'S Jurassic Coast run starts to gather momentum with more runners signing up daily and more sponsors becoming involved.

The 10k and 5k cross-country runs and the Fun Run, which are jointly organised by the Bridport Leisure Centre, Brit Valley Rotary Club and Bridport Runners start at 10am with the event opening at 9am at the Bridport Leisure Centre (BLC) for registration, preparation and warm-up.

Entry forms for all runs are available at the BLC's reception desk; entries will also be taken on the day.

There are three different distances to choose from - a family Fun Run and two serious runs of five and ten kilometres. The Fun Run and treasure hunt is a fun event for the whole family on a flat course around the fields of the Bridport Leisure Centre.

There, visitors can also enjoy a bouncy castle, an inflatable session in the swimming pool, taster sessions and free use of the centre's facilities; food and refreshments will be provided as well.

The 5k run which includes the beautiful Jurassic Coast at West Bay is mainly aimed at the relatively new runners and those who want to get back into running.

The highlight however, is the 10k run which will be mainly off-road, leading the participants to the top of Thorncombe Beacon near Eype; the second highest hill on the south coast. It is therefore aimed at more established runners who are up for a challenge. A number of local sponsors have promised their support to make the event a success for everyone involved. Thanks to West Dorset Leisure Holidays at Eype, the two longer runs

will cross the caravan park and joining fields of Highlands End.

Both the 5k and the 10k will be timed events with prizes for the fastest female and male runners, donated by local companies Richard Batten Jewellers, Gary Pitcher Locksmith, A.G. Down Funeral Directors as well as the Brit Valley Rotary Club and Bridport Runners.

For enquiries about the Bridport Jurassic Coast Run please contact Brian Shelley: Tel. (01308) 459 942 or email jane_brianshelley@yahoo.co.uk.

Fowles lands a whopper ray

Thursday Rover - June 13th

This was the first of the summer's three Thursday night rovers and what a nights fishing!

Seven small eyed rays were caught, five of which were 9lb plus; the best falling to Steve Fowles (4515grms) from Eype beach.

1st: PJ Wheeler - 8208g small eyed ray x 2, dogfish x 2, 2nd: Derek Smith - 6306g small eyed ray x 2, pout, 3rd: Steve Harwood - 5354g small eyed ray, dogfish, pout, Heaviest fish: Steve Fowles - 4515g small eyed ray, Species pool: Ollie Mears (3) small eyed ray, dogfish, pout.

1st: Paul House - 290g plaice, Heaviest fish: Paul House, Species pool: Paul House.

Seatown - May 30th

ANGLERS had high hopes of catching small-eyed rays but alas, they did not show.

Cogden - May 23rd

A COLD west nor' westerly breeze spoilt the fishing at Cogden on a receding tide; only five fish were brought to the scales.

Steve Harwood caught a specimen spotted ray but due to the new sizes brought in this year, it was just undersize; work that one out if you can!

1st: Derek Smith 895g - dogfish and mackerel, 2nd: Steve Harwood 760g - dogfish, 3rd: Simon Bowditch 370g - plaice, Heaviest fish pool: Steve Harwood 760 grams - dogfish, Species pool: Paul House.

West Bexington Daytime - May 5th

AT last the sun was shining for West Bay anglers in the latest daytime match. Shame the fishing was poor: only seven fish came to the scales.

◆ **DANE James** smashed a 28-year-old record recently when he sizzled to victory in the Year 8 100 metres at The Sir John Colfox School Sports Day shows his delight in the now customary way. His time of 12.14 swept aside M Eastman's record of 12.42 which has stood since 1985.

Uplyme & LR lost by 98 runs

UPLYME & LYME REGIS Cricket Club's 1st XI slipped a place to fifth in the Devon Cricket league Division D after a crushing 98-run defeat at the hands of promotion-chasing Seaton at a sun-kissed KGV playing field on Saturday.

Uplyme skipper won the toss and decided to insert the Devonians whose opening bat Nick Beedell responded in fine style in stroking his way to a majestic 114.

Beedell was given useful support from Mark Bray (52) and skipper Ben Morgan (33) as Seaton posted a slightly above par 261 for 5.

And Beedell was set to star with the ball too ripping through the Uplyme batting line-up to record fine figures of 6 for 25 with only Alex Taylor (63, Mark Batey (32) and Jedd Whittington (24) making any impact on the scoreboard.

Uplyme were left grasping five

points with second-placed Seaton bagging the full 20.

Next up for Uplyme is potentially their toughest assignment of the season as they travel to runaway league leaders Clyst Hydon who currently boast a magnificent 100 percent record.

Uplyme & Lyme Regis 2nd XI also

suffered a big defeat as they went down by a whopping 180 runs at Seaton 2nds.

The hosts, batting first, racked up an imposing 279 for 4 with young opener Stuart Wight scoring a fine unbeaten 103 as the Uplyme fielders toiled in the sunshine. The pick of the visitors attack taking 2 for 39 from his nine overs.

Their reply was soon faltering at 17 for 4 and it wasn't until Ally Rattenbury cracked a league best 46 coming in at number 10 that the total reached respectability.

Rattenbury was gutted to have missed out on his maiden league half-century, he said: "I missed a full toss and was bowled!"

Despite the set-back Uplyme remain in fourth spot in the 2nd XI division D (East) ahead of Saturday's visit by Whimple.

IN FORM: Adam Caddy has been selected as Uplyme & Lyme Regis CC Player-of-the-Month for June. The all-rounder received his award of a £50 meal voucher for the Mariners Hotel from club chairman Steve Howe.
